

Code of Conduct

I am a member of Xscape Race Team.

I know I need to behave well.

I will always:

Look out for other skiers and racers

Respect others (SNO!zone staff, other slope users, other racers) and
Respect my body (look after it, wear all my safety gear)

Watch my language

Queue properly

Obey my coaches

Tell an adult (if someone is not doing the right thing).

I know that if I do not behave well, my coach will give me a "time-out" to miss half a training session for the first offence and I could miss a whole session if I do not improve my behaviour. I also know that I may not be allowed to race if I misbehave on race days.
